## Green shading - core programme

## SESSIONS #healthycities2020

- Plenary sessions: Sessions with all participants attending. No other conference session or event is taking place during plenary sessions.

  Parallel sessions: Different types of sessions taking place at the same time. Participants are free to choose which session to attend.

  Business sessions: Discussion and/or decision-making sessions for the responsible politicians and coordinators of the full members of the WHO European Healthy Cities Network and the accredited National Networks. Observers may attend / take the floor but may not vote.

  Strategic workshop: Sessions with representatives from cities and experts aiming to clarify and explore the meaning and the practical applications of the main themes of the
- Learning through practice: Sessions with cities presenting their practice relevant to a Conference theme followed by questions and facilitated discussions to enable shared
- Training: Interactive learning sessions on areas key to the work of Healthy Cities.

  Meeting: Discussion and debate sessions on work plans for Phase VII.

## LEARNING THROUGH PRACTICE SESSIONS INDEX
